

## **American Money Master Amanda Steinberg to Deliver Keynote at SpreadLove's 2018 Wealth-Building Conference at Sea**

*Founder of financial education company DailyWorth and other nationally recognized professionals converge to advance wealth-building opportunities for women*

January 30, 2018 - Amanda Steinberg, founder of the financial education company, DailyWorth, will be the keynote speaker at SpreadLove's 2018 Wealth-Building Conference at Sea to take place October 13th - October 20th. Register now at early bird rate, deadline is February 15th: <http://spreadlovetm.com/shop/2018-wealth-building-conference-sea/>.

Amanda Steinberg launched DailyWorth in 2009 to bring a fresh voice and an outsider's perspective to personal finance. Frustrated by her inability to build net worth, she launched DailyWorth from an attic office in Philadelphia with a newborn in her arms. Today, DailyWorth's newsletter reaches more than 1 million subscribers. Oprah selected Steinberg for the exclusive SuperSoul 100, and Forbes named her one of 21 New American Money Masters. Amanda has also appeared on GMA, Today, CNN, and MSNBC. She's also the author of *Worth It: Your Life, Your Money, Your Terms* released in February 2017.

"I learned how to earn but not what to do with it afterwards. Men are spoken to about stocks and investing, women are spoken to about budgeting," said Steinberg. "At the Wealth-Building Conference at Sea, we're going to shed light on all components that can help women understand and increase their net worth. Our goal is that all women see money not as a source of stress and anxiety, but as one of freedom and empowerment. Women's wealth is the greatest opportunity of our time."

Steinberg will address savings and investment strategies for women along with other nationally recognized professionals. Steinberg and other speakers will share their experience and expertise in workshops and panel discussions on a range of hot topics including:

- Small business and franchise ownership
- Entrepreneurship
- Marketing, branding, and social media tips
- Contracts and business law
- Product development
- Business financing and more.

The Conference offers attendees the chance to have small group and one-on-one conversations with business leaders and influencers. Conference attendees also have the opportunity to participate in business coaching and business strategy sessions targeted to their specific concerns.

TV Host and Entertainment Journalist Xixi Yang will serve as Conference Host. "I cannot wait to discuss how to build a brand, monetize your passion, connect with influencers, and utilize social media to create your dream job," said Yang. You can watch XiXi Yang anchor "Live From the Red Carpet" for the Associated Press, where she brings millions of viewers worldwide live coverage of some of the most prestigious award shows like The Oscars, Grammy Awards, Screen Actor's Guild Awards, and more. XiXi is also an on-air panelist/commentator to CNN's spin-off channel HLN's flagship pop culture news show "The Daily Share," reaching approximately 96 million households.

“We are excited that so many CEOs and influential leaders have committed to speaking at the 2018 Wealth-Building Conference at Sea,” said SpreadLove Founder and CEO Esther JeanBart. “Their insight and experience will generate critical and powerful discussions. At the conclusion of the Conference, attendees will be armed with concrete knowledge and a plan of action.”

The Conference showcases speakers and companies dedicated to diversity and inclusion, with products and services that appeal to current and aspiring women business owners and executives.
